

The Tjuringan Star

Shepherds Hill

On the 16th of May, Meredith, Jo and Abi kept us entertained with dinosaur jokes along the way!!

With nearly 70 starting competitors, 21 of whom were TJ, it was definitely a fun event to remember. As always, a big thank you to the girls for organising the event, and to all those to pitched in on the day. Without this help, such an event would not be possible.

For some happy snaps from the day, see the photo collection below.
