

## Event Fees and Entry

Entry for most events can be done via the Eventor Pre Entry system (see [sa.orienteering.asn.au](http://sa.orienteering.asn.au)) before the listed closing dates.

The event information indicates if the event is PRE-EN-TRY only or if Entry at the event is available. Standard event fees are as follows, however discounted rates may apply for pre-entry. Fees for a particular event are listed in the event information.

Members			
Sub Junior (<14)	Junior (14-20)	Senior (>=21)	Non Members
Free	\$5	\$10	
			Sub Junior
		\$5	Junior
		\$10	Senior
		\$15	
		\$20	
		\$25	

Group fees also available – see each event information

Entrants in a family – Total paid is the 3 most expensive entry amounts.

Entry Fees for Championship Events, Long Distance OY, Training Days, Introduction to Orienteering Events and MTBO differ and will be specified in the event information on the website.

Additional fees may apply to cover land access fees that may apply (e.g. ForestrySA Levies). Any senior on Easy and Very Easy courses pays the Junior fee.

## Event Formats

### Twilight & Snap Sprint Series

A series of Friday evening events through the summer months in Adelaide's parklands and suburban regions, ideal for newcomers, walkers and groups.

### City to Bush Series

A series of events in May held in the Adelaide metropolitan area utilising both park/street and bushland areas to introduce new corners to orienteering.

### Metro Events

Other events in suburban areas of Adelaide.

### Bush Events

The standard series of events running from March until October including Orienteer of the Year Events (OY) where participants earn points toward the Orienteer of the Year Award in their age category.

### Training Opportunities and Introduction to Orienteering Events

Many training events are held throughout the year, including Sunday training days, Wednesday half days, the Women's Training Day, Introduction to Orienteering Events and other general training. For details see:

<https://www.sa.orienteering.asn.au/events/event-calendar> and [sa.orienteering.asn.au/coaching-training/](http://sa.orienteering.asn.au/coaching-training/)

### Mountain Bike Events

These events combine traditional foot orienteering navigation with mountain bike racing. Several are held in conjunction with a foot orienteering event.

## What is Orienteering?

Orienteering is a sport where a map and compass are used to navigate around a set course in the shortest possible time. Orienteering events are held in a range of locations from urban parks, to small bush areas in urban settings, to larger forest and bush areas. Although foot orienteering predominates, mountain bike events are also held.
