Event Formats

Twilight & Snap Sprint Series

A series of Friday evening events through the summer months in Adelaide's parklands and suburban regions, ideal for newcomers, walkers and groups.

Urban including City to Bush Events

Events through the March to September period held in the Adelaide metropolitan area or other urban areas utilising both park/street and some adjacent bushland areas, to introduce new comers to orienteering.

Bush Events

The standard series of events running from March until October including Orienteer of the Year Events (OY) where participants earn points toward the Orienteer of the Year Award in their age category.

Training Opportunities and Introduction to Orienteering Events

Many training events are held throughout the year, including Sunday training days, Wednesday half days, the Women's Training Day, Introduction to Orienteering Events and other general training. For details see: <https://www.sa.orienteering.asn.au/events/event-calendar> and sa.orienteering.asn.au/coaching-training/

Mountain Bike Events

These events combine traditional foot orienteering navigation with mountain bike racing. Several are held in conjunction with a foot orienteering event.

What is Orienteering?

Orienteering is a sport where a map and compass are used to navigate around a set course in the shortest possible time. Orienteering events are held in a range of locations, from urban parks, to small bush areas in urban settings, to larger forest and bush areas. Although foot orienteering predominates, mountain bike events are also held.

Other Opportunities

Country Club Events

Orienteering events are also run in the Port Lincoln, Whyalla and Darwin areas by the respective country clubs. The program and details for these events can be found at sa.orienteering.asn.au/events/country-club-event-calendar

DIY - Permanent and Mobile Courses

A number of permanent courses are also set up which can be accessed at any time. Areas include North Adelaide, Belair National Park, various country areas. Maps for these courses can be downloaded from sa.orienteering.asn.au/about-orienteering/new-to-orienteering/diy-orienteering
 Also try various virtual courses with MapRun (mobile phone app used to track your location on a downloaded map) here: <https://www.sa.orienteering.asn.au/about-orienteering/new-to-orienteering/mobile-orienteering>

Schools Events

Orienteering SA provides organised orienteering events for school groups and is a registered sport with Sporting Schools. Additionally, the major school events for the year are: Schools Championships - Mon 23 May; Schools Relay Championships – Fri Aug 26th; Country regional championships – location/dates TBA. After school events are also held in Terms 2 and 3.
