PRESIDENT'S REPORT 2011

This has been a year of innovation for Orienteering SA.

We all realise that society is changing at an ever-increasing pace, and organisations that do not adapt will decline rapidly.

The need for physical activity to balance our ever more sedentary lives is growing, but we must compete with a growing range of leisure activities as well as increased study and workloads. Our new programme offers many more urban and semi urban events that are bringing many new people to our sport. We are grateful to the Australian Sports Commission who have granted \$100,000 per year to Orienteering Australia to promote participation in our sport. This year we will be receiving funding from this grant to help launch our junior and newcomer series.

The best programme is wasted if people are not aware, so innovation in promotion is as important as the quality of events. Thanks to Ken Thompson and Fulvio Pastrello we now have over two hundred casual orienteers registered for regular e-News bulletins. Our website is always up to date with the latest results, photos and often humorous commentary.

We embraced technology for event management with electronic timing, on line entries, pre-printed computer drafted courses and the use of GPS logging for mapping. Our management and coaching team are putting a lot of energy into strengthening our Junior Squads with the formation of the Junior Arrows and Southern Darts. They are the future of our sport and an essential strategy or maintaining the success of our elite Southern Arrows.

Our elite orienteers are all high achievers often moving interstate or overseas to pursue their careers. However it is great to see the pride with which they still represent their home state under the Arrows banner.

TECHNICAL REPORT 2011

During 2011, the position of technical officer was held by Jenny Casanova, with Adrian Uppill as mapping coordinator, and IT support from Robin Uppill.

Thanks to all South Australians who controlled events during 2011 on behalf of Orienteering SA and Orienteering Australia. Orienteering SA is very appreciative of the efforts expended by these people in the pursuit of orienteering excellence. There were some joint controlling occurrences.

Orienteering SA controllers who controlled events in 2011 – thanks ☺

SA Sprint Championships, Keithcott Farm, May 29th Robin Uppill

SA Long Championships, Casuarina Ridge June 12th John & Jeffa Lyon

Rock Oyster, Badge Event, Aug 14th Jenny Casanova

Club Relays, Wadmore Park, Aug 28th Steve Cooper

SA Middle Distance Championships, Gravel Pit, Sept 4th Peter Cutten

Nearly all of Orienteering SA's registered level 2 and 3 controllers have controlled at least one event in the last 2 years, and most of them are also planning and/or otherwise involved in organising events for their clubs throughout the year, so their dedication is much appreciated. Good communication and teamwork between controllers, course planners, organisers and all members of individual task teams contributed to the success of these events. All controllers are reminded that their reports should be submitted to the technical officer, so that future organisers, planners and controllers can learn from past events, and that they can seek advice from the technical officer at any time.

No controllers' workshops were organised by Orienteering SA in 2011, however, Robin, Adrian and Jenny chaired a Level 3 Controllers' workshop in Canberra on behalf of Orienteering Australia. If there is enough interest a level 1 workshop will be held in Adelaide late in 2011.

The number of currently accredited Orienteering SA controllers has not changed from 2010 but the ASC database now more accurately reflects these numbers thanks to John Scown, Orienteering Australia's coaching & officiating officer. The details of points required for reaccreditation have been updated as follows:

Orienteering Australia has now released the 2012 version of the Competition Rules. Changes made in 2011 include amendments to winning times for elite age classes and there is emphasis on the new IOF guidelines for cancellation of an event.

The OrienteeringSA Course Specifications have undergone some minor updates to course/class groupings for the Night Championships and Schools' Championships. Course planners for Orienteer of the Year, Championship and Badge events are reminded to follow these specifications as closely as possible.

NEWSLETTER REPORT 2011

2011 has been a huge learning curve for the editors of the SAO. We have been enormously impressed by the orienteering community's willingness to send us articles and photos for each edition. Many thanks to each one of you.

We look forward to a continued association with the SAO for 2012 if that is approved by the AGM.

COACHING REPORT 2011

Key Coaching Appointments

During the year the key coaching appointments in Orienteering SA were:

1. Joint Coaching Coordinators – Adrian Craig and John Lyon.
2. Southern Arrows – John Nieuwenhoven.
3. Junior Squad – Phil Hazell.
4. Sub-junior Squad – Adrian Craig.
5. Schools Team – Phil Hazell.

In November a system of Deputy Coaches was introduced which allowed the deputies to not only assist the relative squad coaches but also to deputise for them in their absence. The new deputies were:

1. Junior Squad – Bridget Anderson.
2. Sub-junior Squad – Erica Diment.

Southern Arrows

Their activities will be detailed under their own report.

Junior and Sub-junior Squads

Name Changes After long consideration the two squads below the Southern Arrows changed their names in November:

1. The Junior Squad became the Junior Arrows.
2. The Sub-junior Squad became the Southern Darts.

Banners and Polo Shirts Both these squads are investigating squad banners and squad polo shirts.

Junior Squad The Junior Squad's coach was Phil Hazell and Anna Hazell the manager. They conducted training for squad members in preparation for selection in the Schools Team and that training included:

1. Saturday training sessions.
2. Debriefings after events.
3. The Junior Camp the Flinders Ranges in July.

Sub-junior Squad The squad with coach Adrian Craig and assisted by coach Erica Diment trained about once a month after Sunday events and was busy recruiting new members. It also conducted:

1. One day Introduction to Orienteering (Easy Courses) training at Wadmore Park in the July and October schools holidays.
2. Conducted a weekend Introduction to Orienteering (Moderate Courses) at Mt Crawford and Para Wirra in November.

Schools Team

The Schools Team coach was again Phil Hazell with Jane Fuller as the manager. The Team trained before the National Championships and some members achieved credible results. Again there were shortages of girls in the team.

.

Coaching and Training Days

1. Women's Coaching Day The annual Women's Coaching day was held in June with Erica Diment having the role of its coordination.
2. Training Days Orienteering SA Training Days were held in February (two), June and September.
3. Midweek Training Half Days These continued on a basis of about every four weeks February to December.

Duty Coach System

The Duty Coach System continued to operate at Sunday events but not as often as it should have been.

Illness of John Williams

In May we discovered that our very long term coach John Williams was very ill. This has had a dampening effect on coaches' morale as John was always such an enthusiastic coach and always willing to assist other orienteers.

New Coaches in the Year

Both Phil Hazell and Bridget Anderson gained their Level 1 accreditation during the year. Well done.

Coach Numbers

During the year a number of coaches retired from coaching. We currently have a small number of potential coaches in training but they will not make up the numbers we have lost. Some clubs have no coaches at all.

We ask that any orienteers who wish to assist Orienteering SA, their own clubs and other orienteers to apply to become a coach. The procedures are very simple and the time in training is relatively short.

Thank You

The Joint Coaching Coordinators would like to thank all the coaches in Orienteering SA who assisted in coaching in SA and the NT during the year.

Adrian Craig & John Lyon Coaching Coordinators

SCHOOLS REPORT 2011

In my reports to Council and recent annual reports I have noted the difficulty of getting school groups to the Mid-Week Training Events. The reasons for this include the crowded curriculum, and priority given to core academic areas, and also the practical one of the cost to hire buses. Those competitors who are involved in orienteering at weekends with their parents or at least with access to these events dominate the Schools Championships and some others plainly find the navigation hard! It is therefore with a great deal of satisfaction that Orienteering SA Council endorsed my recommendation that from 2012 Courses for the respective age groups will be made easier, and the mapped areas used less navigationally challenging. SPORT Ident cards will be used for the first time which will enable pairs events to be reincluded after an absence of many years (but not as a Championship Event).

The 2011 Schools Championships were run by Wallaringa at Shepherd's Hill Reserve and in the usual way were supported by many of the Orienteering Community from other Clubs. Jeffa Lyon again did all the key work with the Relays despite my best intentions to assist. A very successful day at Bonython Park, despite various site works and a contractor delivering a BBQ which was the common last control site only a short time before the event commenced!

Our extremely hard working Secretary, Ken Thompson has compiled a computer data base towards the end of 2011 which will assist communication to schools in the future.

Our thanks to John and Jeffa Lyon, Adrian Craig and John Such who ran the School Warm Up Programme. Adrian together with Peter Mayer also assisted me to provide the annual ACHPER Sports Expos at Park 25 in November.

Finally thanks to the School Sport Unit, SSSSA and SAPSASA, for again generously providing the gold, silver and bronze medallions which are presented to the placegetters in the A classes of the Schools Championships and which are so keenly sort by the competitors.

David Tilbrook, Schools Coordinator

SOUTHERN ARROWS REPORT 2011

2011 was a productive year for the Southern Arrows, despite their numbers being thin on the ground. Throughout the year Jenny Casanova managed the squad with assistance from Simon Uppill, Tyson Hillyard, John Nieuwenhoven, Fern Tomas and Bridget Anderson (Queensland Cyclones member). Logistical organisation of specific weekends was delegated to individuals, which worked well.

The Southern Arrows were 3rd in the women's and 4th in the men's senior divisions of the Silva National Orienteering League at the end of the 2011 season. Individual Silva NOL standings included: Simon Uppill 1st and Lachlan Hallett 8th in the senior men's competition, and in the senior women's competition, Vanessa Round was 1st and Susanne Casanova was 6th.

A number of members struggled with injury throughout the year and were not able to attend many of the races, however, they still contributed to running of Arrows events and to the morale of the team. Unfortunately there were no junior women and we rarely fielded a full junior men's team at races.

Southern Arrows competitors who ran at least one race at each of the NOL series throughout 2011 (hopefully I haven't missed anyone) were:

SILVA NOL series, ACT, March 12th/13th: Susanne & Jenny Casanova, Lachlan Hallett, Simon Uppill, Reuben Smith, Vanessa Round, Fern Tomas, Tyson Hillyard, John Nieuwenhoven, Rory McComb, Bryn McComb

Australian 3-Days and subsequent SILVA NOL races, Western Australia, April 22nd-May 1st: Susanne Casanova, Simon Uppill, Lachlan Hallett, John Nieuwenhoven, Reuben Smith, Vanessa Round, Jenny Casanova, Ben Rattray, Riordan Dose, Rory McComb, bryn McComb, Luke Hazell, Tyson Hillyard.

WOC trials, Tasmania, May 21st/22nd: Susanne Casanova, Simon Uppill, Reuben Smith, Vanessa Round, Jenny Casanova, Ben Rattray.

Oceania/Australian Championships Carnival, Victoria/ACT, Oct 1st-9th: Susanne Casanova, Vanessa Round, Jenny Casanova, Lauren Gillis, Fern Tomas, Simon Uppill, Ben Rattray, Kerrin Rattray, Lachlan Hallett, Tyson Hillyard, Riordan Dose, Bryn McComb.

A number of South Australians competed in the BendiGo ToDay races in February, which doubled as an Arrows training camp. On April 3rd the Arrows hosted a training day at Pewsey Vale to which 47 orienteers came in order to practise hard navigation prior to the Easter races. This was well received but will not be repeated in 2012 because of Arrows' commitments to the Snap Sprint Series.

The June long weekend Monday's event at Whyalla Foreshore was hosted by the Arrows on a blustery day, with Sport Ident timing and a bonus micro-sprint course on offer. 77 people entered one of the 3 street courses and 20 were subsequently enticed to pay an extra \$2 for the sprint!

Approximately 50 teams competed in the club relays at Wadmore Park on August 28th in fine conditions, racing around John's and Luke's courses which were overseen by Steve Cooper as

controller. The winning relay club was Wallaringa, with over 60% of club members participating. Tyson coordinated the running of the relays and Fern was event secretary. Computing assistance from Andrew Mogridge and Thom Diment was much appreciated. Prizes were provided by Paddy Pallin and printing sponsored by Snap Hilton. Thanks to Tintookies and Yalanga for use of the map and to Wallaringa for loaning their equipment again! Copyright fees and OrienteeringSA levies were waived, for all of which we are grateful.

Proceeds from this event went to the Arrows who represented Australia internationally in 2011: Simon Uppill and Vanessa Round at WOC in France; Bridget Anderson and Simon Uppill at a Bushrangers series in New Zealand.

Arrows members have been attending fun runs and trail runs to promote orienteering wherever possible, however many significant trail runs now clash with orienteering races. Simon Uppill won the Black Hill Challenge on a new longer tougher course, and a number of Southern Arrows ran the City-Bay fun run.

The Arrows are very grateful to Orienteering SA for the travel subsidy of approximately \$2000 in 2011, and to Orienteering Australia for a lesser amount. Bridget Anderson's calendar of South Australian events and orienteers is a new fundraising initiative which has been well received, as is the Snap Sprint Series, sponsored by Snap Printing Hilton.

Tyson Hillyard has resumed the mantle of manager in 2012. The focus of all our fundraising efforts during this year will be to support Arrows members to attend the World Cup race series in New Zealand in 2013.

MOUNTAIN BIKE ORIENTEERING REPORT 2011

Below is a rundown on the MTBO events run in 2011 (as accurate as I could get it). The total number of competitors was 234*, which is an uninspiring figure. Worse, an event (the Long Distance MTBO Team Challenge) was cancelled due to lack of entries. The problem of low entries has been discussed at length by all concerned without deciding on a means of remedying the problem. We continue to run events and hope...

But while it is easy to be gloomy about the sport the events that were run were enjoyed by the participants, a number of whom were new to the sport.

To all those who competed goes a big thank you and an even bigger thank you to those who helped run and organise events.

2011 MTBOs

27/2/11 - 38 competitors, 15 members, 11 females

14/5/11 - 25 competitors, 9 members, 6 females

18/6/11 - 47 competitors, ? members, 12 females - Rogaine

3/7/11 - 30 competitors, 12 members, 8 females

7/8/11 - 36 competitors, ? members, 6 females - combined foot and MTBO. MTBO numbers only.

23/10/11 - 30 competitors, 11 members, 7 females

13/11/11 - 28 competitors, 20 members, 8 females
