

The Tjuringan Star

Vol. 2 2012

Yes, I know, volume 2 of the Tjuringa Newsletter for 2012 going out in November!!!!
Not good enough I know, but anyway here it is.

VALE our founding member and friend John Williams. I don't know about you, but I am missing him and his deep thinking conversations and presence at orienteering and rogaining events. Chris Franklin and members of the rogaining fraternity supported John's partner, Rossana, to organise a very memorable farewell (three in fact), at the funeral parlour, his wake at the Feathers Hotel and finally the scattering of his ashes at Belair National Park. Chris also spoke at the funeral on behalf of the club, thanks Chris.

THANKS GREG AND FIONA

for organising the printing of our new t-shirts. Some of our new members wanted to compete in a Tj shirt and some of our older members (age and membership) needed a new one as theirs was in tatters. Hence our new \$20 tops. Thanks also to the Tj committee for allowing the club to bear the costs of the logo set up etc to enable us to purchase one of these new tops at such a reasonable price.

The Tjuringa tops over the years.

1. Brown sweat top
2. Grey t-shirt
3. Lined track suit (with pants)
4. Polyester running top
5. Fleecy warm top
6. New Driwear top

Orienteering South Australia Presentation Night

is to be held on Friday 23rd November. Watch for more information in the ENews.

Listed below are the Tjuringa orienteering events for 2013

Sunday 17 th March	Shepherds Hill - OSA AGM
Sunday 28 th April	Laratinga Wetlands: Mt Barker
Saturday 18 th May	Briglen - SA Night Championships
Sunday 4 th August	Mt Crawford Forest: Gumeracha Goldfields
Saturday 7 th September	Nuriootpa – sprint event
Sunday 13 th October	Kuitpo Forest – MTBO and foot O

Put these dates in your 2013 diary. Please let us know at the TJ AGM (or earlier) if you are interested in course setting or organising one of these events. We have a small club membership and we need YOU to put your hand up to help.

2013 TRAINING EVENT

Our first training weekend is to be held on Saturday 2nd March and Sunday 3rd March at Port Elliot. We will be based at the caravan park and the Saturday training will be held on the map that surrounds the caravan park and the beach front. There will probably be a night event coordinated as well. As usual our ever faithful coach, Adrian Craig, will set some courses and training exercises for us. On Sunday morning we will move to Christmas Hill for more training in pine forest terrain.

Happy hour Saturday afternoon/night will be supplied by the club and if we are still hungry the committee will purchase pizza to fill our tummies. Please bring your own drinks and lunches, Sunday breakfast and any other food you may need to consume.

This weekend is the Clipsal 500 weekend and if accommodation is tight in Adelaide it may flow over to the Port Elliot area. If you are coming to the training weekend and want to stay overnight Saturday night book your cabin or campsite NOW. You may like to stay Friday night as well.

The Tjuringa AGM will be conducted on Saturday afternoon, before happy hour, therefore come prepared to put your hand up and support your club by becoming a committee member.

The Tjuringa Website – yes we do have a website but it is looking very tired. Is there anyone out there who would be interested in tidying it up and giving it a fresh new look? Yes, go on, I dare you to go and have a look. Call me on 8381 4696 if you can help out.

FACEBOOK

There doesn't seem to be too much action happening on our facebook page either. Why not go online to have a look and add a photo or a comment.
