Our first training weekend is to be held on Saturday 2<sup>nd</sup> March at Port Elliot (you can go out on a course at 4.00 pm onwards) and Sunday 3<sup>rd</sup> March at Christmas Hill (10.00 am). We will be based at the caravan park at Port Elliot and the Saturday training will be held on the map that surrounds the caravan park and the beach front. As usual our ever faithful coach, Adrian Craig, with support from Greg Morcom, Cheryl Morcom and teddy (thanks Greg and Cheryl), will set courses and training exercises for us. On Sunday morning we will move to Christmas Hill for more training in pine forest terrain and a search and rescue exercise. Thanks to Paul Hoopmann for updating the Christmas Hill map and to OHOC for allowing us the use of the Port Elliot map at no cost to us.

Happy hour Saturday afternoon/night will be supplied by the club and if we are still hungry the committee will purchase pizza to fill our tummies. Please bring your own drinks and lunches, Sunday breakfast and any other food you may need to consume. Let me know by return email if you are coming to Port Elliot, this will give me an idea as to how many to cater for.

This weekend is the Clipsal 500 weekend and if accommodation is tight in Adelaide it may flow over to the Port Elliot area.

The **Tjuringa AGM** will be conducted on Saturday afternoon after the training session, before happy hour, therefore come prepared to put your hand up and support your club by becoming a committee member. All positions become vacant each year, so if you have a great desire to support the club either as president, treasurer, secretary, OSA rep, social secretary, membership registrar, vice president, mapping coordinator, equipment officer, technical officer, school's coordinator, coaching coordinator, mountain bike representative, or newsletter editor. I am happy to accept your nomination prior to the AGM. The committee meet every second month prior to the OSA council meeting (that is only 6 times in a year) for approx. 2 hours. **THE CLUB NEEDS YOU!!!!**

**\*\* Note the change of date for the last event of the 2013 year, NOW 20<sup>th</sup> October.**

Listed below are the Tjuringa orienteering events for 2013

Sunday 17 <sup>th</sup> March	Shepherds Hill - OSA AGM
Sunday 28 <sup>th</sup> April	Laratinga Wetlands: Mt Barker
Saturday 18 <sup>th</sup> May	Briglen - SA Night Championships
Sunday 4 <sup>th</sup> August	Mt Crawford Forest: Gumeracha Goldfields
Saturday 7 <sup>th</sup> September	Nuriootpa – sprint event
Sunday 20 <sup>th</sup> October	Kuitpo Forest – MTBO and foot O

Put these dates in your 2013 diary. Please let us know at the TJ AGM (or earlier) if you are interested in course setting or organising one of these events. We have a small club membership and we need YOU to put your hand up to help.

Tyson has agreed to set the courses for our first event on Sunday 17<sup>th</sup> March, and the Pastrello family have agreed to set the Laratinga Wetlands event on Sunday 28<sup>th</sup> April and Adrian Craig has offered to course set the 4<sup>th</sup> August event. That's 3 events down, 3 more course setters to go.

It was great to see some of the Tj members attend the Summer Series and Snap Printing events held on Friday nights.

**FOR SALE** I must have lost weight during my 7 month retirement as my new TJ top is way too large for me. If anyone would like a new TJ top, size XL (\$20.00), please contact me on 8381 4696.

Does anybody know these two?

This is our first event for the year. We will need all the assistance we can get to help set up on the day and to make the day run smoothly. If you can help on the day please arrive about 8.00 am. This is also the OSA AGM day (to be held after the event).
