

Volume 2, August 2018

## Editorial

With the upcoming National Event this October, the next few months are going to be jam packed. In the next few months many Tjuringans will be attending and helping at the Club Relays, SA Schools Relays, the Tj Kuitpo event/camp and of course the National Carnival. These events will be discussed in a later edition of the Tjuringan Star.

It is peak orienteering season in the Northern (European) summer now and events are in full swing. Tjuringa congratulates Paul Hoopmann for placing 49th at the World Masters Orienteering Championships in Denmark. For videos and info, <http://www.wmoc2018.dk/>. Follow the Juniors, including an exciting Aussie team, at JWOC in Hungary on <http://jwoc2018.hu/>.

WOC 2018 is currently commencing and while no SA Orienteers or Tjuringans are competing in the event it is still an amazing event to watch.

Little Johnny: "No... I just feel bad that you're standing alone..."

## Shepherds Hill, May 20<sup>th</sup>

TJ had a very successful event at Shepherds Hill on May 20. Event attracted 80 participants. Organiser was Aylwin, and Ben was the Planner. In addition, 35 cyclists took part in the concurrent MTBO.

TJ had 16 participants in the Foot-O (incl. Andy Capp 7/21 in 1M, and Marc Turner unofficial).

In addition, TJ Steve Williams was organiser of the well-attended MTBO score event, with TJ participants Anthea Williams, Toby Cazzolato, Doug and Oscar Johnston.

## Flinders Ranges, June long weekend

The June long weekend saw numerous orienteers head up to the Flinders Ranges for three days of orienteering. Many stayed at the Rawnsley Park Bunkhouse, kindly organised by Aylwin. Saturday arvo was the warm-up event in Rawnsley Park with complex spur-gully terrain and many native pines. Sunday moved to the Mannawarra – Prelina map where the long legs challenged many of the juniors. A middle-distance event was held on Monday in subtle terrain, with many knolls and gullies.

## Pymton, 20<sup>th</sup> July

Great sunny (although windy) day at Pymton. Everyone seemed to enjoy the rolling hills and big rocks. Also, the delicious food provided by the local CFS.

Well done to the 24 Tjuringans who took part. First placings were achieved by Marcus C, Mitch M, Zoe C, Mark H, Lewis C, Max F, Lewis F, Keren F and Greg M, congratulations! Full results [here](#).

## Burra, 18-19<sup>th</sup> August

On the weekend of 18th and 19th of August Orienteering SA have two events being held north of Burra. The events are about 2.5 to 3 hours north of Adelaide. Continue north of Burra and turn right just after Whyte Yarcowie (follow signs to the respective events). Free bush camping, marshmallows and campfire, all welcome. <https://sa.orienteeing.asn.au/>

### Junior Arrows Camp

Over 30 kids, including some from WA and Vic, attended the school holiday training Camp at Shiloh near Stirling. TJs were Meredith, Sarah, Oscar, Abbie, Daniel, Finn, Mitch, Giselle and Marcus.

They trained on the Shiloh Hills, Pewsey Vale, Kuitpo Airstrip, Bundy East and Lucky Hit maps. Night-O, Star Relays, Peg Relays, Course Planning, Trivia Night and Games were on the program. Unofficial activities included the junior boys sneakily watching Croatia beat England and the girls stricken by a sudden urge to go to the loo when travelling past Woodside, necessitating an unplanned stop at the Melbas Chocolate Factory!

Thanks to Bridget and Simon organising for a very fun and educational Camp. The participants enjoyed themselves very much, and friendships were made and strengthened.

## A wrap-up of the Junior Arrows Camp by Sarah Lim

From Monday the 9th to Friday 13th of July over 20 south Australian juniors (plus some juniors from Victoria and western Australia) attended the annual junior arrows training camp once again amazingly organised by Bridget and Simon. The camp kicked off with some high intensity sprint intervals at Flinders University. We then drove to the accommodation at the beautiful Shiloh Hills and got settled in (which included the exciting discovery of Netflix on the camp TV) (let's just say we watched a lot of movies in our spare time). We had amazing dinners prepared every night by the wonderful Julia Lloyd who was helped by many adult helpers, including several from TJ). The next days were more intense training, with juniors racking up to 13km of training a day. We trained at TJ's heartland-Kuitpo. This training was with a twist as all clearings tracks and some other map features were taken off the maps-no catching features! This was followed by a peg relay and night Ø when we got back to the accommodation. Wednesday's training was at Pewsey Vale where we practiced our map skills in the rock detail and did control picking exercises. Wednesday night saw us having the event of the camp-the quiz night. There was hot competition with difficult questions. Thursday's training was at Bundy Forest where we practiced taking bearings into difficult "bingo" controls. In the afternoon we drove to Lucky hit where we had a fun star relay in the beautiful forest. Lots of fun and competition. At night there was a course setting competition. Our last day was camp champs-this was at Pewsey Vale again and proved challenging but fun for all. Results as below. After an exhausting 5 days we all returned home after sharing one last lunch together. Overall it was a really great camp and many thanks go out to all the helpers especially Bridget and Simon for organising once again.

How many Tjuringans can you spot? Hint, it's a prime number.
