

## All the fun of orienteering for communities on the Southern Yorke Peninsula

Organised by Orienteering SA, our new Learn to Orienteer (L2O) program is for anyone who wants to learn this fun navigation adventure sport. All ages are welcome and no special equipment is required.

Lessons are conducted in small groups by volunteer OSA coaches. We will focus on different skills in each session and give participants plenty of opportunities to have fun exploring techniques to build confidence in using a map to navigate around an orienteering course.

**What:** 4 X L2O sessions with practice sessions in between

**When:** Sundays 10 AM-12 noon, starting 4 August through to October, with a break for school holidays.

**Cost:** Free of charge, with costs met by a one-time grant from Orienteering Australia

**Rules:** Participants will need to register with Orienteering SA for safety reasons. Each participant under the age of 18 must have a parent/guardian present for the session, and activities will be designed so that everyone can join in.

**To register:** <https://www.emailmeform.com/builder/form/c86nJAU2tbie6xuwv>
