Organiser's report: Congratulations to everyone who came out to slog up and down hills and splash through puddles on a beautiful spring day, especially to the open champions; Pete Spencer, on his way from WA to the Aust MTBO champs, and Kay Haarsma, who may be a little older than the rest of the open competitors. The turnout of 35 entrants hardly justified the excellent efforts put in by the course setter, Tim Lebbon, the mapper, Andrew Slattery, and the tireless MTBO coordinator, Steve Sullivan, who is to be thanked for the prizes and sponsorship.
