

Schools Orienteering Relay Results

Bonython Park

16 September 2005

Despite forecasts of hail we only had to contend with prevention of maps blowing into the Torrens! Everyone collected the right map, checking their team number written on their hands. Some needed help from the "pink hats" but most finished their courses so fast that they could have wished they were out a bit longer. However this catered for the younger runners who boldly ran up to make an official team for their schools. It was good to see several new schools involved for the first time and to see the Shields going to 6 different schools. Congratulations to them all and to the many teams who were very close (eg 5 seconds) on their heels. A few unofficial teams ran very well to earn their Mars bars!

Thanks to the numerous volunteers who made the whole event possible, right through to non-computerised results. Presentations were on schedule at 12 noon. Thanks too to Adelaide City Council (who chose that day to come and remove the fence round an out-of-bounds area!) and to the Mounted Police Unit who gave permission to use the Horse Paddock.

Jeffa Lyon

Senior Girls 3.2km

1. Marryatville High School Total time 66.05
1. Christabel Lewis 21.11 2. Tiffany 26.54 3. Vanessa Round 18.00
