

South Australian Middle Distance Orienteering Championships: Wilpena Spurs 12/6/2006

Orienteering Results

Day 3 SA Middle Distance Championships – Wilpena Spurs – Tintookies OC The final event to the carnival was the SA Middle Distance Champs on Wilpena Spurs. A slightly steeper map with more pronounced, but still numerous knolls. This steeper terrain offers a more understandable creek system but confusion reigns with the unpredictable pattern of spurs and knolls. Callitris pine was still king on this map but larger gums line the more prominent creek lines making visibility very good. Runnability was once again high with very little undergrowth able to pierce the loose stony ground. Competitors were only slowed by the weariness of the long distances the day before.

Junior Orienteer Thomas Diment assisted course setter Bob Smith to create courses that challenged all. In the junior classes Bryn Soden (OH) and Bryn McComb (OH) duelled to result in a margin of 26 seconds which favoured McComb to take the win. In M21A Simon Uppill (OH) remained un-stoppable taking the lead over Timo Sild (TJ) as Timo competed in his final race in Australia before returning to Estonia to prepare as a hopeful for the Estonian JWOC team. Susanne Casanova (WA) comfortably held the lead in W21A over JWOC representative Vanessa Round (TT). Another tight field in M35A as newcomer to the class Greg Morcom (TJ) won the field in front of Stephen Dose (TT) and Ruhi Afnan (YA) with a 90 second margin from first to third.

This race rounded off a brilliant weekend's racing amongst a unique and unforgettable terrain. All reports have resulted in nothing but high remarks for the organisation and the experiences of the day's race. It seemed a pity that the Seeker's were in town and the carnival was over.
