

Orienteering Results

The warm conditions of Saturday afternoon continued into Sunday morning for the long distance event which started to the south east of the assembly area used for Day 1 and 2 of the Australian Three Day event in April.

The warm spring conditions and long courses taxed many competitors.

In W21A Susanne Casanova reversed the previous day's results completing the 11.5 km course in 83.13 mins ahead of Vanessa Round in 88.45, with both struggling to have clean runs. Jenny Casanova was 3rd in 96.28 min.

Simon Uppill was again successful in M21A. He led throughout to complete the 14.7 km in 82.36 mins. Blair Trewin caught Lachlan Hallett about two thirds of the way around the course finishing 2nd in 89.48 ahead of Lachlan in 97.41 mins.

The long courses and warm day also tested competitors in other classes, Tristan Lee was successful in M17-20A completing the same course as W21A in 86.53 mins, whilst Lauren Gillis took out W17-20A.

Other competitive classes were M45A won by Stephen Dose (8.3 km in 57.49 mins) from Lee Merchant and M55A won by Adrian Uppill (7.5 km in 58.12 mins) from Rob Tucker. In the Women's classes, Robin Uppill continued a family affair winning W45A (6 km in 52.52 mins), whilst Zara Soden followed up her sprint win, again taking out W35A.
