

2008 Night Championships Keynes Gap

Saturday 23/08/2008 10:30 PM

Orienteering Results

Competitors who came to experience the Gap enjoyed cold clear conditions in which to search out the correct features among the rocks.

John Niewenhoven finished 10 seconds faster than Brett Merchant to take out the championship.

Susanne Casanova was the fastest of the womens classes.

Thanks to all the Yalanga members who turned up to help, as well as provide the numbers to take out the club trophy. Later that evening, competitors relaxed and compared notes over wine and cheese at Eden Valley Oval.

Course setting and organising, including cheese, by Ruhi Afnan and David Nicolson.
