It was good finally to hold the Relays after the month's delay. However the one bridge washed away was still not repaired, involving an additional 1km on some courses. One school arrived so late that they missed the briefing and did not hear (nor read) the instruction to follow the tapes to the next bridge...!

There were some very close times and very few mis-punches. Not a single control was tampered with.

Congratulations to the 5 schools which went home with the 6 shields this year. Pembroke, East Adelaide and Marryatville High have won before many times, for Prescott it was the second time and for Hawthorndene it was a great follow up to attending the Saturday Afternoon Series last year.

Many thanks to all the volunteers, Pink Hats and others, who made sure the day went smoothly.
